

EL PASO COUNTY, COLORADO
Office of the County Assessor
Steve Schleiker

Dear Sir or Madam,

The El Paso County Assessor's Office is conducting an income and expense survey to more accurately value hotel and motel properties for the 2021 reappraisal. In lieu, or in addition to completing the survey, many hotels and motels use customized hotel/motel software to generate detailed income and expense reports specific to the hotel/motel operation. Finally, you may choose to submit copies of your 2017, 2018, and 2019 I.R.S. Profit and Loss Statements.

Information obtained in this survey is *strictly confidential and will remain in our office*. This data will only be used in statistical analysis to more precisely value your property and other similar use properties. Please enclose any supplemental information with the signed survey. If you have any questions or require assistance, please call (719.520.6616). **Please return the completed questionnaire to our office by September 1, 2020.**
